15 minute duration

Box dimensions: 9x9x4

The rosemary when burned emits powerful vibrations of cleaning and purification. It is one of the oldest incenses, this ancient herb transforms and rejuvenates the soul, spaces and environments. This pyramid also contains pure Olibanum pearls, providing its great power of healing, protection and transmutation, the pyramidal shape carries our energy or request to the four cardinal points of universal space, transforming and materializing Divine love on earth, at home. and in life.
